ADDICTED TO GLASS

HEINZGLAS
family-owned since 1622

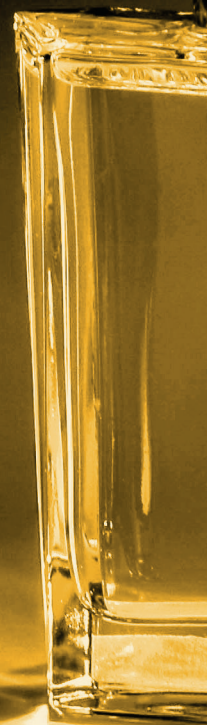

Brilliant in glassmaking. Innovative in all its facets. HEINZ-GLAS fulfills wishes of international customers in the perfume and cosmetics industry. From the glass to the finishing to the closure. Our claim to quality is what drives us - and has been for 400 years. As a family business, we support our people and our regions. 3200 employees in 13 countries have one goal - to get better and better.

In 2018 HEINZ-GLAS has acquired the flacon business of the glass manufacturer SAVERGLASS.

Since then our commitment is to continue the successful line of elegant French designs – combined with longstanding German glass-making experience and passion.

HEINZ-GLAS reserves the rights to cancel the availability in certain type of finish, to modify and to remove some of the items which appear in the ranges presented here. The technical elements detailed in this catalogue and, in particular, the dimension details of the bottles, are given only as an indication. They cannot be used as such for technical evaluation, for study of secondary materials (labels, closures, decoration, etc.) or exterior packaging. For such purpose, HEINZ-GLAS recommends the use of that full technical design together with glass samples, which are available on request. HEINZ-GLAS is the holder of all industrial and property rights (copyright, design, patent, trademark and others) assigned, related and/or attached to design named "Design Heinz" and to personalised or range extensions of "Design HEINZ-GLAS" design, including items representing or reproducing these designs, this acknowledged by the Customer who shall refrain from exercising or claiming whatsoever right of ownership of the aforementioned nature on the said design, such as reproducing or representing them or having them reproduced or represented by a third party, especially in the shape of glass items. HEINZ-GLAS is also the holder of all property rights for all the plans, drawings, designs, models, samples, typons, rough design, sketches, projects, studies and other technical or artwork documents of any type coming from them, that may, during commercial dealings, be handed to the customer. The customer undertakes not to disclose any of the information or make use of it, other than in the sole context of his commercial dealings with HEINZ-GLAS.

This column on the product pages includes information about interchangeable finishes.
